

Declaration of scientific authorship

Taking into account the authorship guidelines defined by the REIC, when submitting a manuscript for review, all authors must sign this document in which they assume that:

__ All the authors have participated substantially in the work and no author has been omitted, thus complying with the scientific authorship criteria established by the journal.

__ All authors have given their approval to the final version of the manuscript and agree with the order in which they appear.

Date and signature of all authors (handwritten or electronic)
